S.R.O. 284, dated 12th Aug. 1960.—The following bye-laws for regulating the manner of construction, alteration, maintenance, preservation, cleaning and repairs of drains, latrines, cesspools and other drainage works within the Cantonment of Cannanore, made by the Cantonment Board, Cannanore in exercise of the powers conferred by clause (9) of Section 282 and 283 of the Cantonments Act, 1924 (2 of 1924), are hereby published for general information, the same having been previously published and having been approved and confirmed by the Central Government as required by sub-section (1) of section 284 of the said Act, namely:—

BYE-LAWS FOR REGULATING THE MANNER OF CONSTRUCTION, ALTERATION, MAINTENANCE, PRESERVATION, CLEANING AND REPAIRS OF DRAINS, LATRINES, CESSPOOLS AND OTHER DRAINAGE WORKS IN CANNANORE CANTONMENT.

1. Where any land or building is situated within 100 feet of a public drain or other place set apart for the discharge of drainage and the drains provided to such land or building are in the opinion of the Cantonment Board insufficient, the Cantonment Board may, by notice in writing require any person having control of the land or building, whether as owner or lessee, to provide such drainage as may be specified in the notice, within 30 days from the service of such notice and thereupon such owner or lessee shall provide drainage accordingly.

2. The Cantonment Board may, by notice in writing, require any person who is constructing or laying a drain to comply with such directions as the Cantonment Board may think fit to give in order to ensure the completion of the work to its satisfaction and thereupon such person shall comply with such directions within the time specified in the notice.

3. Private latrines, water closets, urinals, cesspools and soakage pits appertaining to a building shall be constructed, maintained as repaired by the owner of the building.

4. Every occupier of a building shall cause all latrines, water closets, urinals and cesspools appertaining to the building to be kept clean.

5. All latrines shall have galvanised iron receptacles (buckets) and shall be tarred at least once a month.

6. All latrine seats and floors shall be made of cement and cement pointed.

7. No excreta shall be kept or conveyed without being properly covered.

8. All latrines shall have sufficient roof and wall or iron flaps rendering them invisible from the view of the persons passing by or dwelling in the neighbourhood.

9. (1) No cesspool shall be constructed without the previous permission of the Cantonment Board.

(2) Every cesspool shall not be less than two feet in width and more than two feet in depth, with the edges raised above the ground level and shall be constructed of cement or other impervious material and shall be provided with a proper cover.

10. Whoever contravenes any provision of these bye-laws shall on conviction be punishable with a fine which may extend to rupees fifty and in the case of a continuing breach, with an additional fine which may extend to rupees ten for every day during which such contravention continues after conviction for the first such contravention.
